## Admissions procedure

### **St Margaret's school welcomes overseas students in the Sixth Form (16+)**

You should either contact the school directly or apply through an Education Agent in your country of origin.

All applicants are required to complete an application form and pay a registration fee.

Successful entry to St Margaret's Sixth Form is dependent on the following:

- Completed application form and registration fee
- Subject specific examinations for required A levels
- Successful completion of EFL entrance test
- Reference and report from existing school
- Student visa

When an offer by the Headmistress has been made, an acceptance fee (deposit) will be required to secure your daughter's place in our Sixth Form. We also ask that an acceptance letter by parents be forwarded to the school by the date indicated on the offer letter.

Once the place has been accepted, information will be sent with more details about host families and enrolment in September.

Please note that all overseas students should have an appointed guardian resident in the UK who can advise the school on family matters and provide a legal representative.

It is the responsibility of the student's family to provide all travel arrangements to Exeter, and the school will provide help and information for transferring between the airport and school.
