

# Leading the School at St Margaret's

The Sixth Form is the time to develop to the full those all-important personal skills.

‘enjoying excellence’

How good are you at motivating others? Helping your team achieve success, in their House Competitions will really show your mettle – as well as being very fulfilling and great fun!

Are you a competent organiser – as so many careers demand? Will you manage to get the younger pupils to the right place at the right time with all the right equipment? Not an easy task!

You will quickly gain more and more confidence. Do you dare to address an audience and convince them of your point of view? Can you give a vote of thanks?

How do you shape up as a team player? Do you help carry the rucksack so that everyone can finish the course?

You will have many chances to try out and develop your leadership skills. Everyone looks up to you in the Sixth Form – you are the ultimate role model – which is quite a responsibility! You set the tone – you are now a leader of your community, whether in sport, drama, music.

In the Sixth Form, there are so many opportunities for taking positions of leadership, trying out the skills of working both independently and as part of a team, and taking on the challenge of organising and motivating others. These include:

- Becoming a prefect for a tutor group in Years 1-11
- Supporting staff with duties around the school and caring for the younger pupils
- Helping in the Prep, Pre-Prep or Nursery or running clubs
- Becoming part of the leadership team of Head Girls, House and Games Captains, Charity, Library and Chapel Prefects
- Welcoming visitors to the school and taking tours
- Taking part in the Duke of Edinburgh's Gold Award scheme, in CCF, Ten Tors and in the huge variety of sports, music and drama opportunities
- Attending Woodard and GSA conferences in leadership and a range of academic subjects
- Organising social events for the Sixth Form
